

## Faculty of Hotel & Tourism Management

### **EXTENSION ACTIVITIES IN THE NEIGHBOURHOOD COMMUNITY IN TERMS OF IMPACT SENSITISING STUDENTS TO SOCIAL ISSUES AND HOLISTIC DEVELOPMENT DURING THE LAST 5 YEARS**

FHTM believes in the policy of service to all, keeping this vision we always try to spread awareness social issues concerning the local population, environmental sustainability, direct philanthropic giving. We always keep our students involved in such activities where we can serve our neighbor community and also ensure that students are sensitized by these activities .This a dual process benefitting both the community at large along with the students.

**The activities carried out by FHTM are listed below:**

#### **1) Title of Project**

**Hygiene and Sanitation awareness program.**

Hygiene and sanitation awareness program was organized on 12.02.2019 by Faculty of Hotel & Tourism Management; it was led by Ms. Anshu Kapoor and her team of students. The drive was organized at the Pradhan Ghar of village Budhera, where the local villagers were updated about personal hygiene and sanitation

## 2) Title of the Project:

### **Safety and security in kitchen and its importance**

On January 11 2017 a session was conducted by the Dean, Faculty of Hotel & Tourism Management, SGT University at Jawahar Navodaya Vidyalaya for the Cooks of about 45 schools in the North Region. It was an interactive session on the subject of safety and security in kitchen and its importance. The session lasted for about 1 and a half hour and was much enjoyed by the participants. Thereafter Chef Sanjay Tyagi conducted hands on practical program for the cooks on the making of innovative desserts without the usage of oven, special equipment's and by using normally available ingredients. It was a very popular program and all the cooks and office bearers enjoyed it and appreciated the innovative nature and ease of learning. The Jawahar Navodaya Vidyalaya Society presented a memento to the Dean and Chef on the conclusion of the program.
